

Discover Christ Church Lessons

WELCOME to Discover Christ Church membership lessons! It is our prayer that over the next six weeks, you will receive enough information to be equipped to make an informed decision about membership at Christ Church. Read a lesson ahead each week and bring your questions with you! At any time during this adventure, let us know if you would like to talk with a pastor to dive deeper into each of the topics we will be covering.

Equipped with every spiritual advantage, we sincerely hope that you will see Christ Church as the place where your soul will prosper most, where you will join us in serving others and growing spiritually mature through every good work.

May God bless you and direct you and may His glory shine in and through your life!
