

# GROWTH NIGHTS

We're excited to invite you to Growth Nights – our monthly gatherings designed to help you grow closer to Christ! Every Thursday brings a new focus, and honestly, there's something here for everyone. Whether you're just starting to explore what Christianity is all about or you've been walking this journey for years, we'd love to have you join us.

## **1st Thursday – Encounter Christ: Worship**

Christianity isn't about going through the motions or checking boxes. It's about meeting the Living God and discovering the joy of knowing Him! Come spend an evening with us as we worship together and experience God's goodness in a fresh way.

## **2nd Thursday – Follow Christ: "You Said 'Yes'"**

So you've decided to follow Jesus – that's amazing! But maybe you're wondering, "Okay, now what?" We totally get it. This evening is all about exploring what it actually looks like to live as a follower of Christ. Come discover the next steps in your faith journey with us.

## **3rd Thursday – Engage Christ: Deeper Questions**

Got questions? Doubts? Things about faith that just don't seem to add up? You're in good company! Jesus never ran from the hard questions, and neither do we. This is a safe space to bring your toughest questions about God, faith, and how Christianity fits into today's world. Let's explore these questions together and see how Christ meets us right where we are.

## **4th Thursday – Mature in Christ: Understanding the Bible**

Want to grow deeper in your faith? The Bible is an incredible gift, but let's be honest – it can feel pretty overwhelming sometimes! Think of this evening as your friendly guide to understanding what's actually in the Bible and how to read it in a way that makes sense. Whether you're brand new to Scripture or looking to deepen your study, we'll learn together.

## **5th Thursday – Live Life Together: Community Night**

Faith is so much better when we don't do it alone! When we have a fifth Thursday in the month, we set aside the formal teaching and just enjoy being together. Think good conversations, new friendships, and the kind of community that makes life richer. Come as you are and let's build some great connections!
